PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

VISION

SCTR's Pune Institute of Computer Technology envisions to be a centre of excellence in higher technical education and research, producing global leaders in the field of technology.

MISSION

- Provide rigorous academic training that equips students to excel in their professional careers with the development of universal human values.
- Foster research and innovation culture amongst faculty and students by encouraging interdisciplinary collaborations, thereby contributing to technological advancements.
- Nurture leadership qualities in students through development of analytical thinking, problem-solving, and effective communication skills.

Pune Institute of Computer Technology (popularly known as PICT), is an elite academic Institute located in Pune, "The Oxford of the East." Since our establishment in 1983, PICT has been revolutionizing the education sector by nurturing skilled and industry-ready engineers.

PICT believes in value-based quality education in Information and Communication Technology (ICT). PICT constantly endeavours to achieve higher levels of technical ingenuity through our undergraduate (UG) programmes in Computer Engineering (CE), Electronics & Telecommunication Engineering (E&TE), Information Technology (IT) Artificial Intelligence and Data Science (AIDS) and Electronics and Computer Engineering (ECE). Our postgraduate (PG) programmes in Computer Engineering, Data Science, Electronics & Tele Communication Engineering (Wireless Communication Technology), promote a high-quality research environment in emerging technological domains. PICT is a Savitribai Phule Pune University (SPPU) recognized Research Center in Computer Engineering and Electronics & Telecommunication Engineering.

PICT is a UGC Approved Institute, ISO 9001:2015 Certified, and is NAAC Accredited (4th Cycle) with A+ grade. All our eligible UG programmes are NBA Accredited (CE and E&TE

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

– 6 times, IT – 4 times). PICT is ranked 8th among private Engineering Institutions in India, 1st among all private Engineering Institutions in Maharashtra, and 4th among all Engineering Institutions, including IITs, NITs, and Govt. Colleges in Maharashtra (as per the EDU-RAND ranking- 2015). PICT is placed in the ranking band: 201 to 250 as per the NIRF 2021 Ranking.

The students of PICT are always involved in creating and sustaining cutting-edge technology to surpass the competition. Specialized laboratories/centers with industry support, like Virtual FinTech Lab, SAS Language Lab, e-yantra IIT Bombay, National Instruments LabVIEW, AICTE-funded Center for Wireless Communication, Alumni-funded 3D Printer Lab, etc. enable PICT students to learn in an industry-focused environment.

PICT has a well-established **Research & Development (R&D) center**. The faculty members have undertaken numerous research projects funded by renowned organizations like **Department of Science & Technology (DST)**, **All India Council for Technical Education (AICTE)**, **Defence Research and Development Organization (DRDO)**, **Rajiv Gandhi Science and Technology Commission (RGSTC)**, **Govt. of Maharashtra**, **SPPU** etc. In line with the ideals of Make in India, AtmaNirbhar Bharat Abhiyan, etc., it is PICTs' objective to promote the development of job providers and not just job seekers. PICT's **Entrepreneurship Development Cell (EDC)** and **Start-up & Innovation Cell (SIC)** endeavour to generate opportunities for students aspiring to start their own business or enterprise and empower young talented students to transform their research, findings, and innovative ideas into successful products or services, creating value in the real world.

A serene and charming enclave spread over 5 acres, PICT is home to 346 hostellers, 3000+ day scholars, and 250+ staff members. A functioning canteen caters to the nutritional needs of students, staff, parents, and visitors. A 24x7 medical facility and security personnel, make the PICT campus an educational paradise. Facilities for sports like Basketball, Volleyball, Table Tennis, Chess, Carrom, Gymkhana etc., help rejuvenate and restore the youthful rigor among PICTians. PICT is recognized not only for its excellence in academics but also for its exceptional performance in sports, performing arts, and cultural activities at the intercollegiate, university, zonal, national, and international levels. PICT encourages sport and artistry as a tool

to engage the energies of the youth, thus providing a vital avenue for their self-actualization and expression of their capabilities.

DEFINITIONS

1. "Institute" means SCTR's Pune Institute of Computer Technology (PICT).
2. "University" means Savitribai Phule Pune University (SPPU), Pune.
3. "Bachelor of Technology (B. Tech.)" means, Undergraduate Degree awarded by SPPU.
4. "Master of Technology (M. Tech.)" means, Postgraduate Degree awarded by SPPU.
5. "Semester" means period in which Academic activities are carried out.
6. "Summer Term" means a period during Summer Vacation of minimum of 2 weeks.
7. "Program" means a range of learning experiences offered to students in a formal manner over a period not less than one year leading to UG Degree/PG Degree/PG Diploma.
8. "Course" means is a paper/subject/theory/laboratory/seminar/project/mini project/ tutorial etc.
9. "Course Credit" means weightage assigned to a Course.
10. "Course Teacher" means Faculty member assigned to teach a Course.
11. "Grade" means Single Letter assigned to indicate the Performance of Student in a Course.
12. "GB" means Governing Body, which is involved in policy decisions and overall growth of institute.
13. "Academic Council" means apex Academic Body governing the academic programs & policies in PICT.
14. "Board of Studies (BOS)" means departmental Academic Body common for UG and PG Programs.
15. "Board of Examinations (BOE)" means apex Examination Body responsible for conduction of Examination, framing and implementing Rules and Regulations approved by Academic Council.
16. "Grievance Redressal and Discipline Committee (GRDC)" means committee appointed by Principal to deal with cases of Grievances and Indiscipline.
17. Complaint Redressal Committee (CRC)" means Committee appointed by Principal to deal

with cases of Unfair means/Malpractice/s in Examination.

18. "Department Advisory Board (DAB)" means departmental Advisory Body common for UG and PG Programs
19. Program Assessment Committee (PAC)" means departmental committee for assessment of Program.
20. "Semester Grade point Average (SGPA)" means the weighted average of Grade Point of a Student in a Semester.
21. "Cumulative Grade point Average (CGPA)" means the weighted average of Grade Points for all the Semesters earned by a student.
22. "Allowed to Keep Term (ATKT)" means allowed for admission to higher class after satisfying minimum credits criterion.
23. "Academic Examination and Assessment Rules and Regulations" means Academics, Examination & Evaluation Rules and Regulations governing system of the Institute.
24. "COE" means Controller of Examinations.
25. "CIE" means Continuous Internal Evaluation.
26. "ISE" means In Semester Examinations.
27. "ESE" means End Semester Examinations.
28. "DTE" means Directorate of Technical Education, Mumbai.
29. "AICTE" means All India Council for Technical Education, New Delhi.
30. "NBA" means National Board of Accreditation, New Delhi.
31. "NAAC" means National Assessment and Accreditation Council, Bangalore.
32. "UGC" means University Grants Commission.
33. "ABC" means academic bank of credit
34. "MOOCS" means Massive Open Online Course
35. "DVS" means Digital Valuation System.
36. "TW" Term Work
37. "OR" Oral Examination

1. ATTENDANCE RULE:

- a) All students must attend every registered course regularly. Attendance of every student is expected to be 100% in lectures, tutorials, laboratory, seminar, mini-project, and project etc.
- b) A maximum of 25% absence for attendance may be permitted only on valid grounds such as illness or other emergency reasons which are beyond the control of the student, subject to approval by the authority concerned. For such students, the performance and completion of all practical work is mandatory before the end semester examination.
- c) Students participating in Co-curricular activities /Sports/ Cultural events / NSS during semester shall get waiver in attendance only on the approval of the authority concerned. However, it is to be noted that students will not get waivers during the practice sessions of the activity.
- d) A student with less than 75% attendance on any course during the semester will be **detained from that semester**. Such a student will not be eligible to appear for the end semester and summer term examination of any course of the semester. The list of defaulters should be submitted by respective departments to examination cell with signatures of authorities, 10 days prior to the examination. Examination Hall ticket will not be generated for such students.
- e) The principal may, on account of Bonafide illness, or any other compelling reasons beyond the control of the candidates, condone the shortage of attendance by 20% at the maximum on the recommendations of the respective HODs. This relaxation will be solely at the discretion of the principal on submission of satisfactory documents by the students. The relaxation of attendance in this category is given under the provisions of Ordinance 70 of Poona University Act.

1.1 Continuous Absence and Withdrawal from Courses /Institute

A student who has been admitted to an undergraduate degree program of the Institute may be permitted to withdraw temporarily for a period of maximum one year on grounds of prolonged illness or acute problem in the family which compelled him/her to stay at home, provided:

- a) He / She applies to the Institute within 15 days of the commencement of the semester stating fully the reasons for such withdrawal together with supporting documents and endorsement of the parents/guardian. Such students should register for that semester a fresh.
- b) The concerned authority makes sure that inclusive of the period of withdrawal, the student is likely to complete the requirements for the degree within a period of 8 years.
- c) There are no outstanding dues or demands from his/her by the Institute / Department /Library/Hostel.

2. EXAMINATION AND EVALUATION

The institute adopted a system of continuous evaluation including continuous internal evaluation, in-semester and end-semester examinations, with the following objectives:

- i. To assess student performance and abilities, thereby identifying learning needs and initiate appropriate measures for improvement.
- ii. To implement outcome-based education (OBE) in alignment with the curriculum and intended learning outcomes through well-structured assessment methods.
- iii. To provide feedback to the students regarding their attainment levels with respect to the defined learning outcomes in curriculum framework.
- iv. To facilitate the students to demonstrate their competencies that are required in their professional career.
- v. To ensure fair and transparent awarding of grades, degrees, and certifications based on overall performance.

2.1 Examination scheme: Examination scheme for UG and PG programs refer the Table 2a

Table 2a: Examination scheme: Assessment method along with weightage

Undergraduate Programs

Theory Courses

Assessment method	Description	% Weightage	Remarks
Continuous Internal Evaluation (CIE)	Attendance	5	Refer Annexure - 3
	Assignments, Class Tests (Open Book/Closed Book), Quiz, Group Discussion, Project/Problem Based Learning, Collaborative, Seminar, Presentation, Report preparation, case studies, etc.	15	- Date, duration, modes and Rubrics will be declared by the course teacher at the beginning of semester. - Activities are to be distributed throughout the semester uniformly. - Assessment will be carried out as per rubrics - All the assessment marks will be entered through ERP.
In Semester Examination (ISE)	Centrally conducted written examination	20	- Based on Module -1 as per the syllabus - Panel of examiners for paper setting includes internal examiners.
End Semester Examination (ESE)	Centrally conducted written examination	60	- Based on Module No.2,3 and 4 as per syllabus - Panel of examiners for paper setting includes internal and external examiners.

Practical Courses

Assessment Method	Description	% Weightage	Remarks
Continuous Internal Evaluation (CIE)	- Term work - Practical - Oral - Mini Project - Internship - PBL - Minor Projects - Major Project	50	- As per the existing system of term work calculation based on the parameters as (RPP-Regularity, Punctuality, Performance), (SPO-Submission, Presentation, Orals) - For others as per the rubrics of the respective course as applicable.
End Semester Examination (ESE)	Dissertation	50	External Practical/Oral Examination

Special Examinations: It is to be conducted as per the SPPU Norms for both ISE & ESE. However, examinations will be conducted only in special cases, as per the SPPU circular 104/2022 dated July 4, 2022, and any other circulars published by SPPU from time to time.

2.2 Evaluation scheme: All assessments of Theory, Practical, Project, Seminar and internship etc. shall be carried out to evaluate learning outcomes at every level.

2.2.1 Internal Evaluation

Internal Evaluation shall be done continuously by faculty over a span of semester. Structured Evaluation will be carried out for all programs with appropriate schedule in Academic Calendar as follows:

2.2.1.1 Continuous Internal Evaluation (CIE) Theory Courses:

Internal Evaluation shall be done continuously by faculty over a span of semester. Structured Evaluation will be carried out for all programs with appropriate schedule in Academic Calendar as follows:

As prescribed in Table 2a, the evaluation will be carried out.

- i. The department shall declare the set of all applicable activities such as Problem Based Learning, Quizzes, Small Project, field work, group discussion, but not limited to etc. The course coordinator, in consultation with course teachers, shall select **any two activities** suitable for the course from the list declared by the department and get the selected activities approved from HoD and inform to the examination cell. The Course teacher shall get the activities carried out by students; evaluate the student performance based on the prescribed rubrics and conduct as per decided schedule. The department shall prepare the rubrics for all the activities and display the same before the commencement of academics.
- ii. In-Semester Examination: Written examination shall be conducted for one hour duration on First Module for 20 marks.

2.2.1.2 Internal Evaluation of Practical Term work

- i. Continuous Evaluation for a student is carried out in the form of Term-work calculation. A standard procedure is set wherein (RPP- Regularity, Punctuality,

Performance), (SPO- Submission, Presentation, Orals) and continuous performance evaluation is recorded, and marks are given out of 100 marks & convert to appropriate marks) to calculate the term work.

- ii. Continuous assessment of each experiment or assignment shall be done throughout the semester, collating as term work at the end of each semester. The Evaluation in a laboratory course will be based on the following criteria.
 1. Attendance and participation in laboratory work.
 2. Performance in Evaluation of understanding through viva voce, group discussions, quizzes, etc.
 3. The quality of work as prescribed by the course instructor.
 4. Report through laboratory journals.
- iii. It is mandatory for the student to complete all the experiments/assignments as specified in course curriculum for the grant of term work. It is obligatory to maintain and submit laboratory journal as prescribed by the course instructor before the Term End.
- iv. Student shall be marked absent for incomplete term work and non-submission of laboratory journal and will require re-registering for the Course again.
- v. Term work marks assigned for special courses such as Internship, Mini Project etc. shall be evaluated based on rubrics proposed jointly by HoDs and Dean Academics.

2.2.1.3 Internal Evaluation of Project/Seminar/Internship:

- i. Project/Seminar Term work will be evaluated based on Reviews scheduled in the semester/s as mentioned in the Guidelines.
- ii. For Internship rubrics-based evaluations along with report shall be conducted. The marks of this evaluation will be collated as term work with 100% weightage in total Evaluation.

2.2.1.4 Proficiency/Life Skill courses:

Proficiency/Life Skill courses prescribed (if any) in the curriculum will be assessed through internal evaluation with 100% weightage. Various methods as proposed by

Dean Academics and HoDs shall be used for continuous Evaluation of these courses. It is mandatory for students to get PP (pass) grade in these courses. In the event of failure to pass, a student needs to reregister for the course by paying specified fees. Students can change course during re-registration. Maximum two attempts shall be given for passing.

2.2.2 External Evaluation:

2.2.2.1 Theory Evaluation

End Semester Examination (ESE): Summative examination at the end of semester shall be conducted centrally at the institute level. The written examination shall be conducted for two- and half-hour duration on Modules II, III, IV .

Open elective/ Program electives/ MOOCs/ NPTEL/ SWAYAM : Assessment process defined by external agencies.

2.2.2.2 Practical Evaluation

Practical/Oral examinations by the internal and external examiners are conducted at the end of each semester as per the schedule in Academic Calendar.

1. Final examination for laboratory courses will normally be held immediately after the conclusion of teaching as per Academic Calendar.
2. These oral/practical examinations will be conducted in the presence of an External examiner appointed by a competent authority.
3. Weightage of 50% each for evaluation by internal and external examiner shall be considered. In case of absence from oral/practical examination, the same rules as those for theory courses are applicable.

2.2.2.3 Major Project/Seminar Evaluation

A Viva voce will be conducted at the end of the semester/s in the presence of an External Examiner for the ORAL Exam.

3. Other courses' rules and regulations

3.1 Credit Courses:

Based on the Evaluation student will be awarded letter grades after combining performance of all (CIE+ESE) evaluations for the respective courses. These letter grades will be derived from quantitative and qualitative evaluation converted into 10-point scale called as grade point for credit courses.

3.2 Honors and Minors Certification in Core Engineering Program:

R1.1. It is not mandatory for any student to opt for the Honors or Minors Program. Choice is given to individual students to undertake Honors/Minors programs from the third-year engineering (Fifth Semester) to fourth year engineering (Eighth Semester). Honors/Minors programs will be opted from offered programs by SPPU. Once selected he/she will not be permitted to change the Honors/Minors program in forthcoming semesters.

R1.2. The registration for Honors/Minors Program will lead to gaining additional credits to such students. The result of Honors/Minors Program will be reflected in ledgers to be maintained at university only. After the completion of the Honors/Minors program by concerned students, details of credits earned in Honors/Minors program be printed on the mark sheet of eighth semester. For those students who will not be able to complete Honors/Minors program, details about the additional credits earned will not be printed.

R1.3. Credits earned through registration and successful completion of the Honors/Minors Program will not be considered for the calculation of SGPA or CGPA. As per the standard practice, SGPA and CGPA calculations will be done with common base only by considering mandatory credits assigned for the Bachelor program as per the structure approved by the Academic Council.

R1.4. Students once registered for the program need to complete all credits assigned for the specific Honors and Minors Program in the period of 4 years from the Semester-V. Degree with Honors/Minors will be awarded only after the completion of Honors/Minors Program along with respective UG program degree. Students may opt to cancel the registration for

Honors/Minors within this period of 4 years. After the expiry of four years, automatically a bachelor's degree will be awarded to such a student provided, he has earned the credits needed for graduation.

R1.5. Backlog Honors/Minors courses will not contribute to the decision of A.T.K.T. 2.

Examination Scheme:

R2.1 Examinations for Honors/Minors Program will get organized at the Institute Level. Question papers will be common for all students who have opted/registered for the specific Honors/Minors Program. Evaluation of answer books for Honors/Minors programs will be done at the respective CAP Centers.

R.2.2 Additional examination fees as per prevailing rules and regulations will be charged from those students who have registered for Honors/Minors Program to match the expenses for paper setting and the assessment of answer books at the CAP Centre

4. Passing, A.T.K.T. and award of class:

4.1 Rules of Passing and award of class

- i. Term work/Practical/Oral
 - a. To pass the term work/Practical/Oral the student must earn a minimum of 40% marks on each head.
- ii. Theory subject head
 - a. To pass the Theory course head the student must earn a minimum of 40 percent marks in End-Semester examination and minimum 40 percent marks all together in ISE,CIE and ESE.
 - b. The failing student can repeat the ESE to pass the head in any semester, and the ISE marks will be retained as it is. The ISE can be repeated as even semester to even semester and odd semester to odd semester only.
 - c. To earn credits for a course (Theory/term work/practical/oral/presentation) student must pass the course with minimum passing marks/grade.
- iii. A student shall be awarded the bachelor's degree if he/she earns a minimum of 160 credits as per the structure defined by the program. In case of lateral entry, students shall be awarded the

bachelor's degree if he/she earns 120 credits as per the structure defined by the program and complying equivalence if applicable.

- iv. National Education Policy (NEP) rules will be observed for multiple entry and exit options for the students.

4.2 Rules of A.T.K.T.:

- i. A student can register for the third semester if he/she earns a minimum of 50% credits of FY. course.
- ii. A student can register for the fifth semester if he/she earns a minimum of 50% of the SY course credits and all the credits of FY.
- iii. A student can register for the seventh semester if he/she earns a minimum of 50% credits of the TY course and all the credits of SY.

4.3 National Education Policy

4.3.1 Credit Framework under Four-Years UG Engineering Program with Multiple Entry and Multiple Exit options:

The Four-year Bachelor's Multidisciplinary Engineering Degree Program allows students to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per their choices and the feasibility of exploring learning in different institutions. The minimum and maximum credit structure for different levels under the Four-year Bachelor's Multidisciplinary Engineering UG Program with multiple entry and multiple exit options are given in point no.8.2 as per NEP guidelines.

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

Credit Framework:

Levels	Qualification Title	Credit Requirements		Semester	Year
		Min	Max		
4.5	One Year UG Certificate in Engg./Tech.	40	44	2	1
5.0	Two Years UG Diploma in Engg./Tech.	80	88	4	2
5.5	Three Years Bachelor's Degree in Vocation (B.Voc.) or B. Sc.(Engg./Tech.)	120	132	6	3
6.0	(B.E./ B.Tech. or Equivalent) in Engg./Tech.with Multidisciplinary Minor	160	176	8	4
6.0	4-Years Bachelor's degree(B.E./ B.Tech. or Equivalent) in Engg./ Tech.-Honors and Multidisciplinary Minor	180	194	8	4
6.0	4-Years Bachelor's degree(B.E./ B.Tech. or Equivalent) in Engg./ Tech.-Honors with Research and Multidisciplinary Minor	180	194	8	4
6.0	4-Years Bachelor's degree(B.E./ B.Tech. or Equivalent) in Engg./ Tech.-Major Engg. Discipline with Double Minors(Multidisciplinary and Specialization Minors)	180	194	8	4

5. Grading Process

5.1 Grading:

- I. Based on the Examinations and Evaluation, students will be awarded letter grades after combining the performance of all Evaluations for the respective course. These letter grades will be derived from quantitative and qualitative Evaluation converted into 10-point scale called as grade point for credit courses. The performance with grade points and equivalent letter grades for Absolute grading for A. Y. 2024-25 admitted batches will be as mentioned in Table 5.1-A.

Table 5.1–A Performance with grade points and equivalent letter grades

Performance (%)	Grade Point	Letter Grade
$90 < X \leq 100$	10	O (Outstanding)
$80 < X \leq 90$	9	A+ (Excellent)
$70 < X \leq 80$	8	A (Very Good)
$60 < X \leq 70$	7	B+ (Good)
$50 < X \leq 60$	6	B (Above Average)
$44 < X \leq 50$	5	C (Average)
$40 \leq X \leq 44$	4	P (Pass)
$0 < X < 40$	0	F (Fail)
-	Absent	AB (Absent)

Note: Where X is the performance percentage

- II. Apart from credit courses, Noncredit courses will be awarded with letter grades based on quantitative and qualitative Evaluations as PP (Pass) and NP (Not Passed).
- III. Grades in special circumstances: In addition to the above letter grades students will be awarded dual letter grades in specific circumstances as mentioned in table 5.2.

Table 5.2 Grades in special circumstances

Reason	Letter Grade
Detained due to insufficient attendance or incomplete term work (Detained and Repeat)	DR
Withdrawal of course with satisfactory attendance (Willful Withdrawal)	WW
Transitional Grade for students who are permitted under semester exchange/Credit Transfer scheme	CT

5.2 Calculation of SGPA and CGPA:

SGPA: Based on the grade points earned by the students, performance of student in each semester will be calculated as semester grade point average (SGPA) as follows:

$$\text{SGPA} = \frac{\sum_{i=1}^n \text{Grade points earned X Credits of each course}}{\text{Total credits in a semester}}$$

For Example: suppose in a given semester a student has registered for five courses having credits C1, C2, C3, C4, C5 and his / her grade points in those courses are G1, G2, G3, G4, G5 respectively. Then student's SGPA will be

$$\text{SGPA} = \frac{\sum_{i=1}^5 C1G1 + C2G2 + C3G3 + C4G4 + C5G5}{C1+C2+C3+C4+C5}$$

SGPA and CGPA is calculated up to two decimal places by rounding off.

CGPA: The CGPA is the weighted average of the grade points obtained in all the courses (Theory/term work/practical/oral/presentation) of first semester to eighth semester for the students admitted in the First year and third to eighth semester for the students directly admitted at Second year. CGPA is calculated in the same manner as the SGPA. In case of a student passing a failed course or in case of improvement, the earlier grade would be replaced by the new grade in calculation of the SGPA and CGPA.

The class shall be awarded to a student on the CGPA calculated as mentioned in Table 5.3:

5.3 Class of degree awarded with respect to CGPA

Table 5.3 Class of Degree

Sr.No.	CGPA	Class of the degree awarded
1	7.75 or Morethan7.75	First class with distinction
2	6.75ormorebutlessthan 7.75	First class
3	6.25ormorebutlessthan 6.75	Higher second class

5.4 Conversion from CGPA to percentage

Percentage of marks obtained by candidate= CGPA* 8.9

Sr. No.	Marks in Percentage	Class and Degree Awarded
1	(66%) or more	First class with distinction
2	(60%) or more but less than (65.86 %)	First Class
3	(55%) or more but less than (59.98%)	Higher second class
4	(50%) or more but less than (54.91%)	Second class

6. Semester Grade Report

i. A Grade Report in the form of Grade Card shall be issued to students at the end of each Semester.

ii. The Grade Card shall include the following.

- The list of courses registered for an academic year along with credits.
- The letter grade obtained in each course.

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

- c. The total number of credits earned by a student.
 - d. SGPA, CGPA Details
 - e. Examination details
 - f. Grading System, calculation of performance in dices and conversion of CGPA to equivalent percentage shall be provided on the back page of grade card.
- iii. Grade Cards shall be used to prepare Transcripts of the student.

7. Award of the Degree

A student shall be eligible for the award of B. Tech., MTech. degree from the institute and Savitribai Phule Pune University if the student has:

- i. Obtained eligibility certificate from the University.
- ii. Registered & passed all the prescribed courses & earned minimum credit requirement for the said degree.
- iii. Obtained $CGPA \geq 4.00$ for B.Tech. and MTech.
- iv. Paid all the Institute dues and satisfied all the requirements prescribed.
- v. No case of indiscipline pending against him/her. The Academic Council (AC) shall recommend the list of all eligible students to SPPU for award of B. Tech., M.Tech. degree with additional Honors/Minor certification wherever applicable.

8. Discipline & Conduct

- i. Every admitted student shall be issued a photo identification (ID) card which must be retained by the student while he/she is registered at PICT. The student must have a valid ID card with him/her while in the Institute. If the student attendance is not as per norms decided by Dean Academics, Dean academics/HOD will take decision about those students.
- ii. Any act of misconduct committed by a student inside or outside the campus shall be an act of violation of the discipline of the institute. Violations of the discipline shall include:
 - a. Disruption of teaching, examination, administrative work, curricular or extra- curricular activity, and any act likely to cause such disruption.
 - b. Refusing to provide an identity card when demanded by any institute authority.

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

- c. Damaging or defacing the property inside or outside the institute campus.
- d. Engaging in any attempt at wrongful confinement of teachers, offices, employees and students of the institute.
- e. Use of abusive and derogatory slogans or intimidatory language or incitement of hatred and violence.
- f. Ragging in any form ("Ragging" means causing, inducing, compelling or forcing a student, whether by way of a practical joke or otherwise, to do any act which detracts from human dignity or violates his person or exposes him to ridicule or to forbear from doing any lawful act, by intimidating, wrongfully re-straining, wrongfully confining or injuring him or by using criminal force to him or by holding out to him any threat of such intimidation, wrongful restraint, wrongful confinement, injury or the use of criminal offence. Supreme Court of India has defined ragging as a criminal offence.)
- g. Eve teasing or disrespectful behavior to women or girl students.
- h. An assault upon, or intimidation of, or insulting behavior towards a teacher, officer, employee or student or any other person.
- i. Committing forgery, tampering with documents or records, identity cards, furnishing false certificate or false information.
- j. Organizing instant agitation/meetings without prior permission on the campus.
- k. Viewing/downloading obscene information/data, images, and executable files, sending obscene mails/ messages via Facebook / tweeter/other social sites using institute servers.
- l. Sharing the login and passwords & other details of IT facilities provided to other students/outsideers.
- m. Consuming or possessing alcoholic drinks, dangerous drugs, or other intoxicants in the institute campus.
- n. Possessing or using any weapons and firearms on the institute campus.
- o. Unauthorized occupation of hostel, Accommodating guests or other persons in hostels without permission.
- p. Malpractice in examination.
- q. Indulging in anti-national activities contrary to the provisions of acts and laws enforced by Government.

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

- r. Any other act which may be considered by the Principal or the Discipline Committee to be an act of violation of discipline.
 - s. As the number of main answer sheet pages is sufficient, supplements are not issued to the students.
- iii. Any act of indiscipline of a student reported to Principal or concerned authority shall be referred to the Grievance Redressal and Disciplinary Committee (GRDC) of the institute. The Committee shall enquire into the charges and recommend suitable punishment if the charges are substantiated. The penalties/punishment/actions may include:
- a. Written warning and information to the parents/guardian.
 - b. Suspension from the Institute/Hostel/Mess/Library/ or availing of any other facility.
 - c. Suspension or cancellation of fellowship or any financial assistance from any source-
 - d. Recover of loss caused to Institute property.
 - e. Debarring from participation in sports/NSS/student club.
 - f. Disqualifying from holding any representative position in the Class/institute / Hostel / Mess/Sports/ Clubs and in similar other bodies.
 - g. Disqualifying from appearing in placement and receiving any awards.
 - h. Expulsion from the Hostel/Mess/Library/Club/institute for a specified period by forfeiting fees.
 - i. Action as per Maharashtra anti-ragging act 1999.
- iv. **Malpractice in examinations:** If a student is found guilty of malpractice in examinations, then he/she shall be punished as per the recommendations of the Complaint Redressal Committee (CRC) constituted by BOE. The CRC committee shall inquire and decide the punishment by following the Guidelines for imposing punishment on examinees/others involved in unfair means. However, depending on the situation, committee may quantify the severity of the punishment which may include:
- a) Cancellation of the performance in that examination for the course in which malpractice involved
 - b) If the same student is found in malpractice again in the same semester or future

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

semesters, his or her performance should be cancelled for all subjects of that semester.

- c) Expulsion/termination from the institute if repeatedly involved.
- d) Such malpractice cases details will be shared to Head of the departments, dean academics and Training and Placement Cell for information.

Student/s involved in act of indiscipline/malpractice in examination shall be issued notice asking him/her asked to be present before the respective committee (CRC) on the day at specified time and venue with his/her parents/guardian. He/she shall give a written reply/oral explanation to the charges leveled against him/her for consideration. If the implicated students fail to appear before the committee, then a decision shall be taken in absentia, based on available evidence/documents, which shall be binding on the student concerned. The CRC is the final decision authority regarding malpractice cases.

8.1 Conduct during Examination:

i. Timing and attire:

- a) The students are required to be present (outside the examination hall) exactly 30 minutes before the start of the examination.
- b) Students will only be allowed to enter the examination hall 15 minutes prior to commencing the examination.
- c) Candidate must wear simple, light color cloths without excessive pockets (cargo pants), simple sandals or slippers should be preferred.
- d) The students will not be allowed to appear for the examination if they reach the examination Centre 10 & 30 minutes after commencement of examination ISE and ESE respectively.
- e) Students can leave exam room 30 & 60 minutes after the commencement of the ISE and ESE examination respectively.
- f) Students are not permitted to leave the examination hall during the last 10 minutes.
- g) Students are responsible for keeping themselves informed about exam dates, as well as the time and place of the examination.
- h) Differently abled students will be given additional time of 20 minutes/ hour of examination. The Senior Supervisors are also authorized to sanction additional 20 minutes/ hour to

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

handicapped and learning disable students. However, students will have to submit the medical certificate of civil surgeon. The candidate's application must be submitted to the principal forwarded to examination section.

- i) The Blind students will be given an additional one hour, i.e. over and above the prescribed time.

ii. Identity check-up:

- a) Students will not be allowed into the examination hall without presenting an appropriate photo identity card, Hall ticket issued by the Institute.
- b) Invigilators are responsible to ensure full compliance with such requirement.
- c) If, a student forgets his/her Institute Identity Card, the driving license/ other photo identity card will be accepted in place subject to verification by the Senior Supervisor/ Controller of Examination.

iii. Breaks:

- a) Breaks for visits to bathroom may be taken only after permission from the invigilator and under the condition that the invigilator's instructions given on the occasion are followed.
- b) If a student falls ill during the examination and is unable to complete the examination, the concerned student should alert the invigilator and senior supervisor in consultation with concerned head of department may make suitable arrangement for proper medical attention.
- c) No student shall re-enter the examination hall after leaving it.

iv. Question papers and answer sheets:

- a) During ongoing examination student is not allowed to take the examination question paper outside the examination hall. After the examination, Junior supervisor shall collect the answer sheet in the sequence.
- b) Blank answer sheet shall be collected by the invigilator.
- c) Each answer sheet should contain details as mentioned on front page and signed by invigilators.
- d) If there are any queries regarding the exam questions the students must ask the invigilators who will contact the course teacher through proper channel.

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

v. Other materials:

- a) Students should bring their own pencils, pens, erasers, rulers, non-programmable calculators, and any other tools required for the examination.
- b) Students are advised not to bring valuables for examination. Student shall keep their handbags, cases, outdoor clothes, etc. at identified location and are banned to carry any study material inside the hall before the start of examination during exam period. Students are responsible for the safe keeping of all personal belongings they bring to the examination hall. The Institute takes no responsibility for the loss or damage of such belongings.
- c) Mobile phone/ earbuds/ smart watch/any electronics gadgets/Shoes/ bulky footwear/ Jacket/ hoodie/ cap/ water bottles/ writing pads etc. are not allowed in examination hall/Pencil cases/ dictionaries/ electronic dictionaries/ written or electronic media/ digital media/ or any other materials are not permitted/ allowed into the examination hall, except for devices used for assisting students with hearing visual or other physical difficulties.
- d) Exchange of pens, pencils, calculators, study material, etc. is not permitted.
- e) Calculators with more than one-line display or with alphanumeric display (programmable calculators) are not permitted into the examination hall unless specified in advance by the examiner. If the invigilator reasonably believes that a student is using a calculator that does not conform to the rules, he/she has the discretion to replace the calculator.

vi. Disturbance:

- a) During the examination period, there must be no communications among students or between a student and an outsider via any means, such as phones. This rule applies to students in the examination hall and those on supervised breaks for visits to bathroom/s.
- b) No student shall leave his/her assigned seat without the permission of the invigilator. It is the invigilator's discretion to decide whether, there is enough reason to remove a student from the examination hall owing to disorderly conduct.

vii. Miscellaneous:

- a) The students must ensure before they leave the examination hall that they have signed the attendance sheet.
- b) The students with medical problems will be provided Writer in the Examinations only subject to prior permission from the Principal to COE. The documentary proof along with

recommendations of concerned HOD will be required. All such cases will be dealt as per academic rules.

- c) All rooms are under bell sound for information about time to students, or student will ask the invigilator about the remaining time.
- d) Cheating, and attempts at cheating, will immediately be reported to the Examination control room. Consequences of proven cheating or attempts at cheating will be dealt with separately by the malpractice and grievance handling committee.

8.2 ABC ID, Admission System, Multiple Entry and Exit Path and Lateral Entry:

- (a) Enrolment of Students and Registration of Colleges on ABC All State Universities/ Autonomous Institutes must promote registering on ABC. Since Credits awarded to a student for one programme from an institution may be transferred/redeemed by another institution upon the student's consent through ABC, it is essential that all students should get enrolled on ABC, create ABC ID, and share these ABC IDs with Academic Institutions where they are enrolled. Credits Earned by the student will reflect in the student's ABC account. Multi-institutional learning permission: The student shall be allowed to earn some credits from institutions/colleges other than the Main/ Parent College i.e. a college where students earn all their major credits (more than 50%) including credits for the core subject. Students enrolled in the degree programmes may avail of other elective credits from two different Page 11 of 15 colleges affiliated with the same University and/or online courses available within the 40% cap mentioned by UGC.
- (b) Multiple Exits: Students will have the flexibility to enter a programme in odd semesters and exit a programme after the successful completion of even semesters as per their future career needs. Students exiting the First-Year programme after securing minimum 40 credits will be awarded UG Certificate in the relevant Discipline /Subject provided they secure 8 credits in work-based vocational courses or internship / Apprenticeship offered during summer vacation in addition to 4 credits from skill-based courses earned during the first and second semester. Students exiting the Second Year Programme after securing minimum 80 credits will be awarded UG Diploma in the relevant Discipline /Subject provided they secure additional 8 credits in skill-based vocational courses (skill-based courses, internship, mini

projects etc) offered during summer vacation after the second year. Students exiting the 3-year UG program will be awarded B.Voc. in the relevant Discipline /Subject upon securing minimum 120 credits with additional 8 credits in skill-based vocational courses (skill-based courses, internship, mini projects etc.) offered during summer vacation after the sixth semester. Exit options shall be provided with Certification, Diploma and B. Vocational degrees to the students at the end of the second, fourth and sixth semester, respectively, in the four-year degree programme. Students will receive a bachelor's degree with the single minor on successfully completing all eight semesters of the UG Programmes either at a stretch or with opted exits and re-entries. In addition to this, student will receive a bachelor's degree with Double Minor/Honours/ Research subject to earning additional 18 credits.

- (c) Re-entry or Lateral Entry: Students, opting for exits at any level, will have the option to re-enter the programme from where they had left off, in the same or in a different higher education institution within four years of exit and complete the degree programme within the stipulated maximum period of Page 12 of 15 eight years from the date of admission to first year UG. Re-entry at various levels for lateral entrants in academic programmes shall be based on the earned and valid credits as deposited and accumulated in the Academic Bank of Credits (ABC) through Registered Higher & Technical Education Institutions (RHTEI) and proficiency test records. Lateral entry into the programme of study leading to the UG Diploma/ B. Vocational/ UG Bachelor's Degree with single minor/ UG Bachelor's Degree with Double Minor/ Honours /Research will be based on the validation of prior learning outcomes achieved and subject to availability based on intake capacity.
- (d) Eligibility for admission to the UG Bachelor's Degree with Double Minor/ Honours /Research as per UGC guidelines: Minimum CGPA/CPI of 7.5 or minimum 75% after second semester for UG Bachelor's Degree with Double Minor/ Honours and Minimum CGPA/CPI of 7.5 or minimum 75% after sixth semester for UG Bachelor's Degree with Research.
- (e) For postgraduate programmes, there shall only be one exit point for those who join the two-year Master's programme, that is, at the end of the first year of the Master's programme. Students who exit after the first year shall be awarded the Post-Graduate Diploma on successful completion of all the credit requirements of the respective post-graduate program.

8.3 Open House: Answer scripts will be shown to the students before the declaration of result during the open house as per the academic calendar by following the guidelines mentioned in **annexure 5**

8.4 Vacation for Student: After In semester examination student have activities decided by department for 05 days and after ESE minimum 20 days' vacation or as per academic calendar.

8.5 Question Paper Setting: Refer the General guidelines of question paper setting in **annexure 4**. Meeting with external setter should be preferably offline but online is also permitted.

8.6 ISE& ESE assessment duration: Assessment activity should be completed within 10 days from the date of examination.

8.7 ESE result declaration: Result of ESE should be declared in 30 days after examination conducted.

9. Central Assessment Program Scheme

Preliminary:

The conduct of examinations and declaration of result is one of the important activities of examination cell. The Scheme of Central Assessment Programme is being introduced by way of Ordinance with a view to

- 1) declaring the result in the shortest possible time
- 2) increasing the reliability of the result
- 3) maintaining uniformity and consistency in the assessment
- 4) increasing accuracy and efficiency in the declaration of results
- 5) creating confidence among the students about the assessment system

The Central Assessment Programme shall consist of the following stages:

- i) Pre-assessment Work
- ii) Assessment and Moderation Process
- iii) Post-Assessment Work.

9.1 Pre-Assessment:

1) Appointment of CAP Director:

The Director for the Central Assessment Programme shall be appointed by the principal from amongst the following:

- i) Principal of the College concerned or his nominee from amongst the senior faculty members.
- ii) Any other senior person with the suitable academic and administrative experience. The principal shall communicate his acceptance along with the undertaking.

2) Invitation to Examiners and Moderators:

The Principal/Controller of Examinations shall ascertain the number of examiners and moderators required per subject. The Principal / Controller of Examinations shall decide regarding the space and the supporting staff required for the CAP.

The Director of CAP/Controller of Examinations shall send invitation letters to all the examiners and moderators well in advance to enable the examiners and moderators to communicate their acceptance. In case of any difficulty in doing so, the Director of CAP shall consult the Controller of Examinations and take decision. All the instructions regarding the CAP shall also be sent to examiners and moderators. In case of shortage of examiners/moderators as reported by director of CAP, the substitute appointments of examiner/moderators shall be made by the Principal/Controller of Examinations.

3) Collection of Answer-books:

It is the responsibility of the CAP Director of the Institute to see that the answer-books of the examinations held at his centres are collected by CAP Centre.

4) Preparation for CAP:

- i) The Director of CAP shall make adequate arrangements to receive answer-books
- ii) On receipt of the answer-books at the CAP venue, the staff employed for this work shall check the number of answer-books. Junior Supervisor's Reports and ascertain as to whether the number of candidates present and absent indicated in the report are correct. In case of any discrepancy, it shall be resolved in consultation with the Deputy COE, or an Officer nominated by the Controller of Examinations.

- iii) It shall be seen and verified that all the answer-books of the subjects, are received. This shall be checked with the subject wise summaries of the examinations concerned. In case of non-receipt of answer-books, the Director of CAP shall take immediate steps for receiving the said answer-books concerned under intimation to the Co-ordinator/Assistant Co-ordinator of the CAP.
- iv) In case of Digital Valuation System (DVS); conduct scanning of answer script as per the barcode of candidate

9.2 Assessment and Moderation Process:

The Institute shall issue instructions to the concerned do the following:

- i) Consistency and uniformity in assessment.
- ii) Remedial measures in respect of discrepancies detected/noticed in the question paper.
- iii) Unfair means case handling.
- iv) Any other details not covered under this Ordinance shall be prescribed by the Central Assessment Programme shall be carried out accordingly.
- v) All staff members those who taught the subject must do the answer paper evaluation.

Guidelines for answer script assessment, moderation, open house and revaluation is attached in annexure 5

9.3 Post-assessment:

The Institute shall issue instructions on the following:

- i) Decoding/unmasking of assessed answer-books.
- ii) Scrutiny and verification of assessed answer-books.
- iii) Preparation and schedule of submission of mark-lists.

9.4 Revaluation process

Any student who is not satisfied even after open house may apply for rechecking/revaluation by paying the prescribed fee

Examination cell shall appoint an evaluator (External) other than the first evaluator to reevaluate the answer script. Re- evaluated marks shall be considered only if the reevaluated marks are more than 10% of the first evaluation and should not be more than 30%. For more details (Refer the annexure 5) i.e. Process flow chart.

9.5 Signing authority of grade sheet: Institute has given rights to Controller of Examination as signing authority.

9.6 Retention period of answer script: One year after result declaration (hard or soft copy)

9.7 Answer script scrap process: Answer script may be Scraped after Shredding it inhouse as per institute process of scrap.

10. Appointment of Writer

The writer appointed to write answer papers of the blind, disable and learning disable or such other examinee will be paid Rs.200/- per paper in respect of examinations up to and inclusive of graduation and Rs.250/- in respect of post graduate examinations.

The Senior Supervisors are authorized, to make the appointment of a writer at an examination for a candidate who, in their opinion, is unable to write answer-scripts on serious medical grounds, blind or disabled and learning disabled. The writer to be appointed must not have passed the examination at which he is appointed to work for the examination. The concerned writer should not be first relative with Examinee, i.e. Mother-Father, Sister-Brother, Paternal and Maternal Uncle. The concerned Examinee must submit medical certificate from '**Registered Medical practitioner**'. The Senior Supervisor shall make a separate seating arrangement for the candidate and the writer. The Senior Supervisor will recover the prescribed fee of Rs.200/- per paper up to graduation and Rs.250/- per paper for post-graduate examination, from the candidate asking for the writer. The Principal or Senior Supervisor is permitted to collect the writer fees at the prescribed rates mentioned above from the candidates concerned and disburse them to writers appointed by them directly. No writer fee shall be collected from the blind candidates. The remuneration in respect of the writer provided to the blind candidate should be paid by the colleges from the factotum charges.

11 Ordinances

Ordinance 1: Grace Marks for Passing in each of head of passing.

GRACE MARKS FOR PASSING IN EACH OF HEAD OF PASSING (THEORY/ PRACTICAL/ ORAL, / SESSIONAL / ANY ASSESSMENT HEAD ADDED FOR EVALUATION DURING THE TERM OR AT END OF TERM)- (EXTERNAL / INTERNAL)

The examinee shall be given the benefit of grace marks in External and Internal examinations, only for passing in each head of passing or subhead of passing where multiple sub-heads are required to be passed under one head of passing. The benefit of grace marks shall be given as follows:

Head of Passing	Grace Marks up to
Up to 50	2
51-100	3
101-150	4
151-200	5

Provided that benefit of such gracing marks given in different heads of passing shall not exceed 1% of the aggregate marks in that examination.

Provided further that benefit of such grace marks shall not be given for passing in aggregate head of passing. Provided further that this gracing is concurrent with the rules and guidelines of professional statutory bodies concerned.

Grace marks of deficiency of marks be shown in statement of marks in the form of Dollar sign (\$)

Ordinance 2: Grace Marks for getting Higher Class

A candidate who passes in all the subjects and heads of passing in the examination without the benefit of grace marks under Ordinance 1 or Ordinance 4, and whose total number of marks falls short for securing second class/higher second class or first class or

equivalent GPA,/Grade, as the case may be; by marks not more 1% of the aggregate marks of the examination or up to 10 marks, whichever is less, shall be given the required marks to get the next higher class or GPA or grade, as the case may be:

Provided that benefits of above mentioned grace marks shall not be given if the candidate fails to secure necessary passing marks in the aggregate head of passing also, if prescribed in the examination concerned: Provided further that benefits of above mentioned grace marks shall be given to the candidate for such examinations only for which provision of award of class or GPA or grade has been prescribed:

Provided further that this gracing is concurrent with the rules and guidelines of professional statutory bodies concerned.

Ordinance 3: Condonation

GRACE MARKS FOR PASSING WHERE CANDIDATE FAILS IN ONLY ONE HEAD OF PASSING

- 1) If a candidate fails in only one sub-head of passing or head of passing, having passed in all other sub-heads of passing or heads of passing, as the case may be, and if he fails to secure necessary passing marks in that sub-head of passing or head of passing after giving grace marks to the maximum limit permissible under Ordinance 1, he shall be given the benefit of grace marks only for passing in that head of passing including sub-heads of it, (Theory/Practical/ Oral/Sessional) in External or Internal examinations, up to 1% of the aggregate marks of the examination or 10% of the total number of marks of that head of passing, in which he is failing, whichever is less.
- 2) If a candidate fails in aggregate head of passing, having passed in all sub-heads of passing and heads of passing, he shall be given the benefit of grace marks for passing in the aggregate head of passing up to 1% of the aggregate marks of the examination.
- 3) Such grace marks whether in one sub-head of passing or head of passing or aggregate head of passing, shall be restricted to maximum up to 10 marks only.
- 4) Total marks in the subject after giving benefit of grace marks in that sub-head of passing or head of passing or aggregate head of passing, shall be shown in the Statement of Marks.

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

- 5) A candidate shall be entitled to get the benefit of Ordinance 140-A along with Ordinance 4.
- 6) This gracing of marks is concurrent with the rules and guidelines of professional statutory bodies concerned.
- 7) Condonation of deficiency of marks be shown in statement of marks in the form of Hash (#)

Note for Ordinances from 1 to 3:

- 1) If a candidate fails in a head of passing, which is included in another head of passing, of the same subject, he shall be entitled to the benefit of the condonation in both the heads, if necessary, subject to the maximum limit of Condonation permissible.
- 2) If a deficiency of marks is condoned, the class/grade in the examination concerned, of the candidate shall be declared on the actual marks obtained by the candidate.
- 3) The benefit of not more than one Ordinance shall only be given for one examination of one course.
- 4) The benefits of above-mentioned Ordinances may be given to the candidates appearing in the examination with backlog and/or exemption whenever such a exemption/system of backlog has been provided.
- 5) The benefits under above mentioned Ordinances shall be given at the time of declaration of final examinations only.
- 6) Final examination for the purposes of these Ordinances means and includes such examination/s
- 7) based on marks on which class/grade is awarded.

Ordinance: 140A

BEST OF PERFORMANCE

- 1) Notwithstanding anything contained in any other Ordinance, if an examinee passes in any one or more subject/s, head/s of passing, of any examination he shall not be allowed to appear for subject/s, head/s unless there is specific provision to the effect in respect of concerned examination.
- 2) If any examinee fails in any subject/s, head/s of passing in the examination, the marks obtained by him/her in such subject/s, head/s of passing shall not be carried forward.

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

- 3) If an examinee does not appear in any subject of passing in which he/she has failed in previous attempt, his/her performance in such subject/head of passing shall be treated as nil, unless he/she claims the benefits provided in Clause No.3.
- 4) If an examinee appears for the subject / head of passing of the same examination for more than once, highest marks obtained by him/her in the last two proceeding examination shall be given effect to in the result of the concerned examinations, on the following conditions:
 - (a) If an examinee applies for the purpose along with copies of the statement of marks of the concerned examination attested by the Principal of the College/Head of the Department, with a fee of Rs.500/- within a period of 45 clear days from the day of declaration of result.
 - (b) If due to such marks of previous attempt, examinee passes the subject concerned and examination.
 - (c) If student has not failed in more than one subject/ head of passing.

Ordinance 4: Amendments in results:

1. **Rectification within Six Months:** If any anomaly or discrepancy is observed in the grade sheet by the staff or students, it may be rectified after verification of the relevant records within six months from the date of declaration of results, with the approval of the Controller of Examinations (CoE) and Principal.
2. **Rectification After Six Months:** If the discrepancy is reported after six months from the date of result declaration, the matter shall be placed before the Board of Examinations (BoE). Any modification to the result shall be carried out only after obtaining the approval of the BoE.

12. Remuneration to staff

Examination remuneration for staff as well as persons involved in the examination shall be distributed as per Savitribai Phule Pune University (SPPU) examination remuneration rule book in all heads. Refer Annexure 6

Annexure 1: Guidelines for Co-Curricular Activities (Credit Course as part of Curriculum)

As part of the implementation of autonomy with effective from Academic Year 2024-25 for the UG Co-curricular activities are included as credit courses as part of the curriculum. Accordingly, the number of credits is incorporated in curriculum structure.

Background:

SCTR's Pune Institute of Computer Technology believes in wholistic development of student catering to the requirements of engineering attributes (program outcomes) prescribed by Washington Accord and NBA through the implementation of Outcome Based Education. There is a limited scope of attaining all the program outcomes through classroom and laboratory teaching learning process. To expand the scope of learning to acquire all the attributes, PICT proposes to institutionalize and formalize the ongoing extra and co-curricular activities which are being carried out by students by awarding due credits and a certificate at the time of their graduation in addition to the University degree certificate. The purpose of extracurricular activities is primarily the acquisition of skills and competencies in areas that are not directly part of the curriculum.

Annexure 2: Guidelines for Massive Online Open Courses (MOOCs)

As part of the implementation of autonomy with effective from Academic Year 2024-25 for the UG and PG Programs, MOOCs are to be offered as part of the curriculum. Accordingly, the number of credits is incorporated in curriculum structure.

Following are the guidelines for implementation of MOOCs courses and awarding the credits:

1. Department shall release a list of approved SWAYAM-NPTEL courses before the commencement of every semester.
2. Students shall register for the approved Courses as per the schedule announced by SWAYAM-NPTEL.
3. A student shall undergo the courses only from the list notified by the department through SWAYAM/NPTEL platform, complete all the assignments and examination requirements as specified by the SWAYAM/NPTEL.

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

4. SWAYAM-NPTEL Courses are considered for transfer of credits only if the concerned student has successfully completed and obtained the SWAYAM-NPTEL Certificate.
5. The credit equivalence for SWAYAM-NPTEL Courses: 12 weeks – 3credits; 8 weeks – 2 credits; 4 weeks – 1 credit.
6. Equivalent marks will be considered for awarding the grades as specified in examination rules and regulations. The weightage for assignments will be 40%, while the weightage for the proctored examination will be 60% for calculating SGPA/CGPA. Students must score a minimum of 40% of the total marks by combining both assignments and proctored examinations.
7. A student must submit the original SWAYAM-NPTEL Course Certificates to the Head of the Department concerned, with a written request for the transfer of the equivalent credits. On verification of the SWAYAM-NPTEL Course Certificates and approval by the head of the department, credits will be awarded.
8. The Institute shall not reimburse any fees/expenses a student may incur for the SWAYAM-NPTEL Courses.
9. If the SWAYAM/NPTEL course calendar does not align with the institute's calendar, the department shall facilitate and conduct examination of the relevant course of equivalent credits in physical/virtual mode and award the credits accordingly.
10. Courses offered by Bhandarkar Oriental Research Institute (BORI) on Indian Knowledge Systems (IKS) and the same will be considered as part of MOOCs for First Year B Tech only.

Annexure 3: Scheme for Awarding of Marks Based on Attendance

As part of the implementation of autonomy with effective from Academic Year 2024-25 for the UG and PG Programs, continuous internal evaluation carries 5% weightage for attendance in every theory course head.

Five percent of the marks will be awarded based on the attendance in each course head as per the following scheme:

- Attendance of 75% and above but less than 80%: 2 Marks

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

- Attendance of 80% and above but less than 85%: 3 Marks
 - Attendance of 85% and above but less than 90%: 4 Marks
 - Attendance of 90% and above: 5 Marks
- i) Due consideration will be given for the students who participate in **Co-curricular activities** following the due procedure with prior permission and appropriate marks will be awarded as per the policy.
- ii) Under any circumstances, shortage of attendance below 75% due to medical reasons will not be considered for awarding marks as per the above scheme.

Annexure 4: Guidelines for question paper setting

Question Paper Setting

Following are the general guidelines to be followed while setting up the question papers to maintain the quality.

1. Controller of Examinations shall appoint two/three internal examiners for In-Semester examinations and two/three internal examiners and one external examiner as paper setters for each course head on recommendation of respective board of studies chairman through the Principal. One of the senior faculty shall be appointed as chairman of the paper setters for each course.
 2. Chairman shall conduct the meeting of all the paper setters, discuss and prepare two sets of question papers for In-semester examinations and three sets of question papers for End-semester examinations along with detailed solution and marking scheme. Chairman shall submit the set of question papers in prescribed format along with the detailed solution and marking scheme through ERP system.
- a. Chairman shall ensure the following while setting the question papers
- Coverage of entire syllabus
 - The questions and marks uniformly represents all modules/topics prescribed in the syllabus.
 - Both core concepts and supplementary topics are proportionately represented.

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

- Balanced mixture of theory/descriptive and problem/numerical solving
- Formatting, structure and presentation.
- Clarity and Language
 - Clear, concise, and unambiguous. Students are expected to know what answer is specifically expected.
 - Avoid language and typographical errors. eliminate spelling, grammar, and printing mistakes.
 - All the data is provided to answer the questions.
- Marks are allocated to all the questions and totaling is correct.
- Adequate time is allocated to answer the questions by an average student
- Difficulty levels: 30 % easy, 50% Moderate, 20% Difficult
- Mapping to Defined Course Outcomes (COs) : Each question is mapped to specific Course Outcomes (COs) defined in the curriculum. Marks distribution to be uniform for all the COs Mapped proportionately
- Bloom's Taxonomy Levels Covered (L1-L6) :
 - Lower Order Thinking (LOT) Remember and Understand: 20-30%
 - Middle Order Thinking (MOT) Apply and Analyze: 50-60%
 - Higher Order Thinking (HOT) Evaluate and Create :20-30%
- b. Detailed solution is to be prepared along with step wise marking and submitted along with question papers.

Annexure 5: Guidelines for answer script assessment, moderation, open house and revaluation

1. Answer script bundles are assigned to evaluators from the list of evaluators recommended by the respective BoS Chairman through the Principal. One of the evaluators shall be designated as Chairman by the BoS Chairman.
2. Chairman shall conduct the meeting of all the evaluators of the respective course. Discuss the marking scheme, detailed solution, discrepancies if any in question paper, any other issue. The same will be recorded in meeting note.
 - a. Evaluators must strictly follow the scheme, including step marking. Evaluators shall also consider awarding appropriate marks to the alternate answers and methods.

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

- b. Chairman should mention the approximate time required to evaluate a bundle.
 - c. Ensure all the questions and answers are evaluated, marks are allocated uniformly across the entire batch, and tally is double checked.
3. **Cross Checking/Moderation:** Examination cell (CAP Director) shall assign another evaluator for cross checking to ensure the evaluation adheres to marking scheme, consistency, and fairness. Cross checking will be done as follows
 - a) Moderation involves 100% review for students failing by 10% or less of the total marks, (For total 60 Marks paper answer scripts obtained the marks in the range of **18 to 23** and for high scores 80 % and above total marks, i.e. **in the range of 48** and above marks in Courses).
 - b) Additionally, 5% (around 2) no papers between passing and high score marks are moderated on a random basis.

Discrepancies are corrected and feedback given to evaluators.
4. **Open House (Display of Answer Scripts to Students) :** As per the standards and guidelines, students are entitled to see their answer scripts. It provides constructive feedback to the students, reduces the grievances and revaluation requests.
 - a. Department shall intimate the detailed schedule in consultation with examination cell for the open house. Interested students shall register for the courses they would like to see the answer scripts. Based on the registrations, examination cell will assign the same evaluator who evaluated the answer script to show it to the respective student.
 - b. Assigned evaluator shall hand over the answer script to the student. Allow students to see *only their own* scripts. During the open house students are not allowed to carry mobile phones, any writing material like pen/pencil, bag inside the room. Maintain strict discipline and confidentiality. Students are expected to handle the answer script and not to alter, overwrite. Permit queries on evaluation logic but avoid debating marks unless genuine error. Students may verify Question-wise marks allocation, totaling of marks, any unassessed portion and bring it to the notice of evaluator. Evaluator may clarify or if the query raised is genuine, appropriate marks shall be awarded or corrected only after the verification done by Course Chairman. The same

will be recorded in the prescribed form with the reason for change. The genuine change will be reflected in the final marks. No debate on evaluation standards will be entertained, except in cases of genuine errors.

- c. Any student who is not satisfied even after the open house may apply for rechecking/revaluation by paying the prescribed fees if any.
- d. Examination Cell shall appoint an evaluator other than the first evaluator to re-evaluate the answer script. Reevaluated marks shall be considered only if the re-evaluated marks are more than 10% of the first evaluation.

Annexure 6: Guidelines for remuneration

Rates of remuneration for examination work should be paid as per the SPPU Pune norms in all heads.

Annexure 7: Guidelines for Nature of Lapses

In line with the guidelines of Savitribai Phule Pune University, any lapses on the part of paper setter, examiner, moderator, teacher or any another person associated with the conduct of examinations, shall be dealt with in accordance with the guidelines laid down by the Board of Examinations (BoE) of the institute, as outlined below.

1. Seeking Explanation: An official email communication shall be issued to the concerned individual seeking an explanation for non-performance or improper execution of assigned examination related duties lapses in the assigned work.
2. Review of Explanation: If the Principal is not satisfied with the explanation provided, the matter shall be referred to the Lapses Committee constituted by the Principal for further examination and necessary action.
3. Meeting of Lapses Committee: The Lapses Committee shall review all such cases immediately after the completion of the examination process.
4. Action Based on Severity: Depending on the nature, severity, and degree of negligence involved, the following actions may be taken:

PUNE INSTITUTE OF COMPUTER TECHNOLOGY

An autonomous institute affiliated to Savitribai Phule Pune University, Pune.

Survey No. 27, Near Trimurti Chowk, Dhankwadi, Pune-411046

- a. Withholding or non-payment of remuneration for the examination work concerned.
- b. Issuance of a Show Cause Notice to the concerned individual as per the applicable norms.
- c. The committee's report shall be submitted to the Principal Sir for official record and further action.
- d. Disciplinary action by the competent authorities in accordance with the institutional rules and regulations.
- e. The competent authority, in addition to the above actions, may withdraw or suspend institutional privileges granted to the individual if found guilty.
- f. In serious cases involving examination malpractice, the competent authority may report the matter to the appropriate police authorities in accordance with the provisions of the Maharashtra Prevention of Malpractices at University, Board and Other Specified Examinations Act, 1982.

13. CONCLUSIONS

1. Examination and Evaluation Policies/Rules and Regulations regarding conduct of undergraduate and post graduate programmes at PICT are published in this document. The Board of Examination and Academic Council reserves the right to modify these policies/regulations as and when required from the point of achieving academic excellence.
2. The rules for grace marks, consideration of extracurricular activities, condonation, amendment of results, unfair means resorted to by the students and punishments, physically challenged students will be governed by the ordinance approved in Academic Council. These policies will be in concurrent with the rules and guidelines of professional statutory bodies such as AICTE, UGC and affiliating university SPPU etc.
3. Interpretation: Any question as to the interpretation of these guidelines shall be decided by the institute head, whose decision shall be final and binding in the matter. The institute head shall also have the power to issue clarifications to remove any doubt, difficulty or anomaly, which may arise regarding the implementation of these Guidelines.
