xx. Teaching Learning Process

Academics at PICT are run through a well-planned academic calendar with strict adherence. Institute has institutionalized OBE processes with a structured academic hierarchy. In addition to the SPPU curriculum, departments conduct various training and certificate programs to enhance students' skills hence employability. Faculty members have been very quick enough to adapt to the latest innovative pedagogical practices using ICT and implemented them in classroom and laboratory teaching and learning. UGC and SPPU has conferred Autonomous Status to SCTR's Pune Institute of Computer Technology from A.Y. 2024-25. Implementation of NEP 2020 in a phased manner is incorporated in the strategic goal of the Institute.
