Event Summary

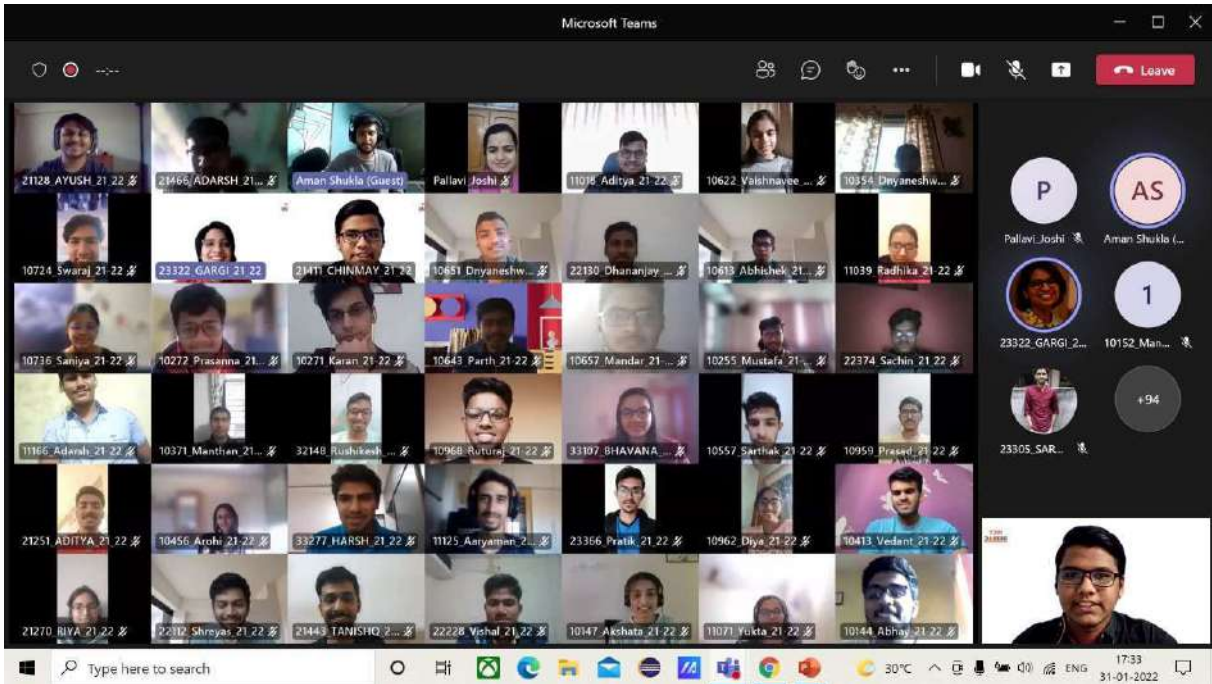

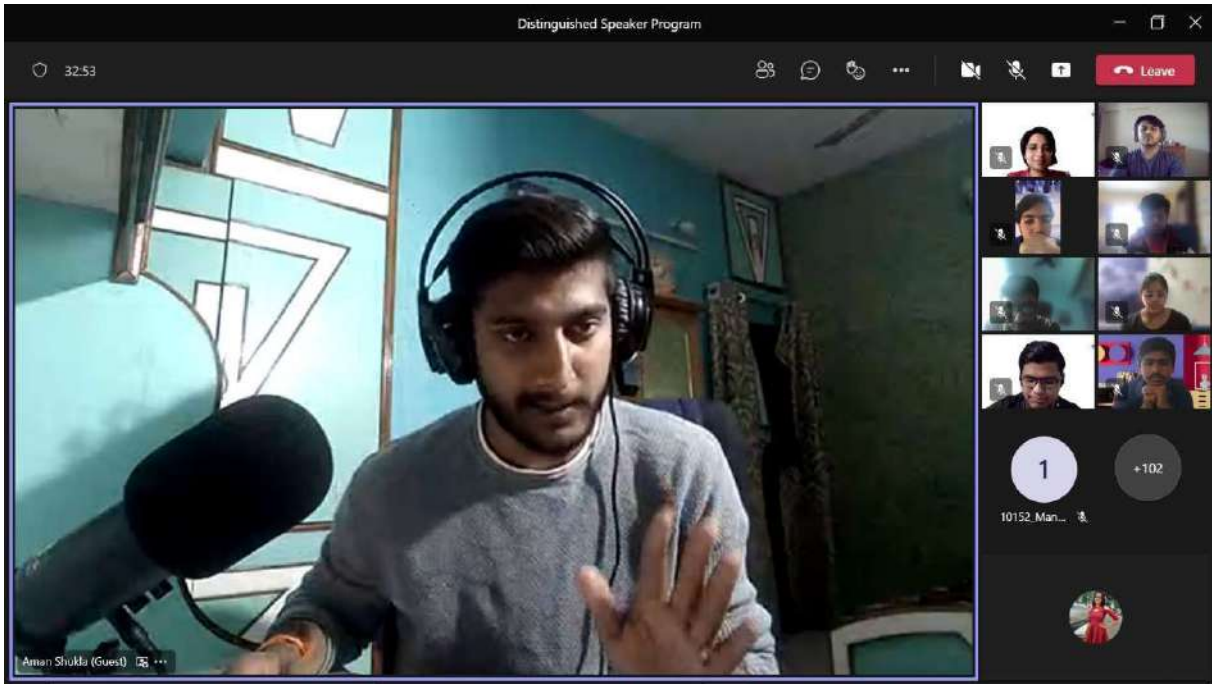

After its successful inception last year, PICT DEBSOC conducted the second Distinguished Speaker Program (DSP) on 31st January 2022. It was organized by the External Affairs Committee of PICT DEBSOC in a complete virtual model. This time, we had Mr. Aman Shukla, a Public Speaking Coach, a TEDx speaker, and a guest lecturer at top institutions in India as our Distinguished

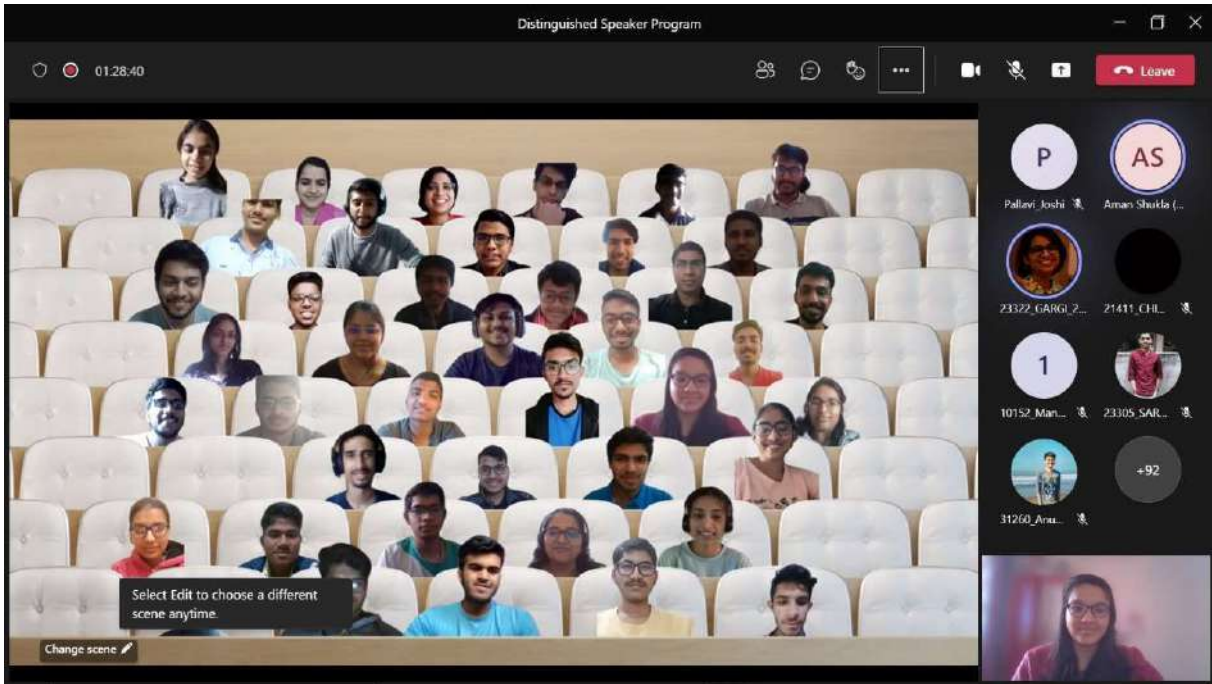

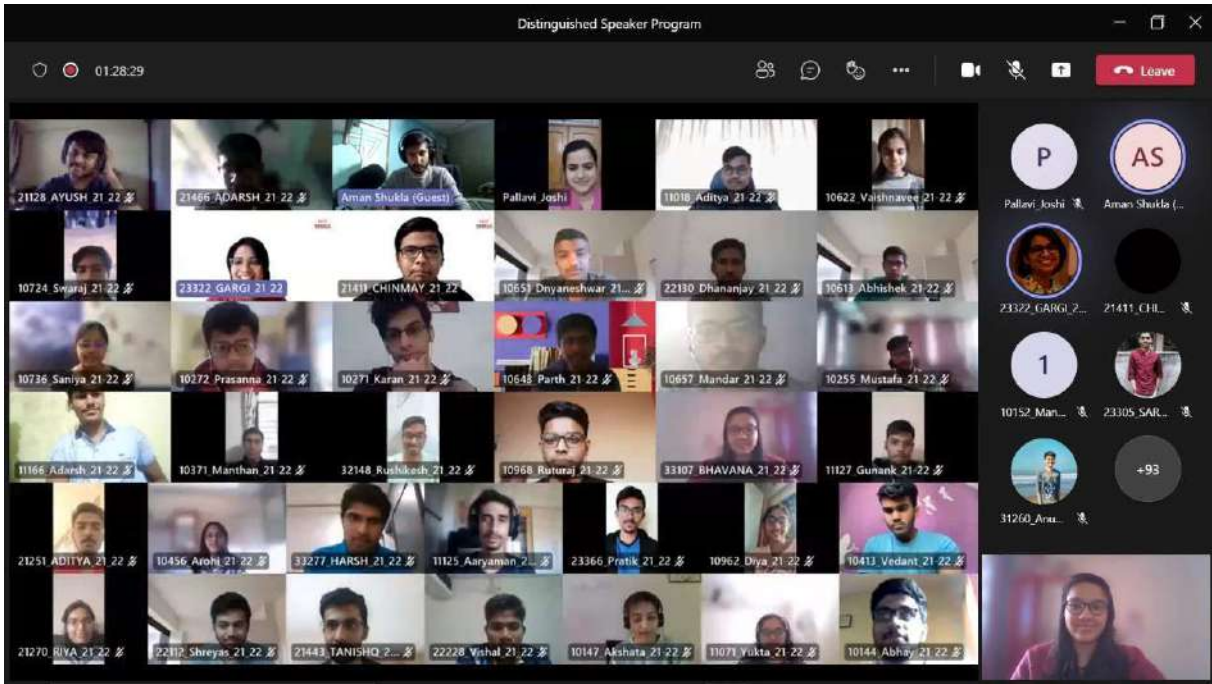

Speaker. The topic for the session was "Connection Over Communication". More than 150 public speaking enthusiasts including students as well as teachers attended this event.

The session commenced with the greetings given by our host to all the attendees. After the introduction of the guest speaker, he took over the session. The session was truly a great learning experience for every student who wants to ace the skill of public speaking. Speaker guided students on how to face stage fear and express ourselves efficiently. The students got a very important life lesson from the session to overcome any fear, without fearing that fear, take that risk. Speaker gave tips and advice with proof to enhance communication skills. The session was true, 'connection over communication'.

After an enthralling interaction of 90 minutes, we had a question and answer session. The event was concluded by a vote of thanks after the Q&A session.
